

BayLegal's

BayLegal continues to monitor public health advisories, and to work closely with our staff and partners in our response. Our current approach to client and staff safety, and the prevention of further community spread of COVID-19, is informed by the March 16, 2020 shelter in place order issued jointly by seven health officers within six Bay Area counties, and by the subsequent Executive Order by Governor Newsom extending shelter in place / stay at home requirements to the entire state. The Bay Area order legally directed residents of Alameda, Contra Costa, Marin, San Francisco, San Mateo, and Santa Clara Counties to shelter at home for three weeks beginning March 17, 2020.

Notice of Remote Service Availability and Office Closures
